

**WEST CENTRAL FLORIDA
SECTION EMERGENCY TEST
SET SCHEDULE AND RULES
SATURDAY AUGUST 12, 2017**

SCHEDULE for the SET:

- 0900 - 0945:** Each of the County EOC's to communicate with the County EOC's that surround their respective counties, regardless of frequency and or mode. Bonus points for making contact with other counties on HF.
- 1000 - 1115 -** Each of the County EOC's to communicate with the State EOC on HF Phone. Relays on HF are permitted and encouraged.
- 1000 - 1115 -** Each of the County EOC's to communicate NVIS on HF Phone within the WCF Section. Relays on HF are permitted and encouraged.

Neither SARNET or NI4CE Repeater System will not be used for this portion of the drill.

COMPETITION RULES AND POINTS:

Each county EOC may contact any other county EOC on any simplex frequency, local or local linked repeater system as some of our counties have linked repeater systems in their county (e.g.: WC4PEM/R in Polk County). Contact on the HF frequencies designated is also permitted.
