

WEST CENTRAL FLORIDA ARES AND SECTION HF NET
PREAMBLE
(Non-Emergency Net Protocol)

Calling the West Central Florida ARES and SECTION INFORMATION Net.
Calling all members of the West Central Florida Section.

This is _____My name is_____ and I am located in _____.

This is a directed net. Please direct all comments through net control.
All stations are asked to remain on frequency until released by net control.

This net is primarily for West Central Florida Emergency Coordinators and for all other interested amateurs who are always cordially invited to check in. This net meets each Saturday morning at 08:30 AM local time or when activated by the SEC or his designee.

The purpose of this net is for the WCF Emergency Coordinators and for Members of the WCF Section to exchange information regarding emergency communications, public service and information for All members of Section.

Calling now for any station with:

1. Bulletins or announcements.
 [Hold until after checkins are completed.]
2. Section Level Officials, Elected or Appointed.
3. CALLING NOW FOR STATIONS IN WEST CENTRAL FLORIDA
4. Calling for Any North Florida Stations
5. Calling for Any South Florida Stations

Calling for Any additional stations running late or wishing to be checked in.

[Call for Bulletins and Announcements then proceed to Section Officials by Rank, then each Section and others wishing to check in]

The combined WCF ARES and Section Information HF net meets each week on Saturdays at 08:30 AM on 3.911 MHz (alt 7.281 MHz) A WCF Section Information Net is also held at 7:30 PM on the NI4CE Repeater System and the WCF ARES Net also meets on Mondays at 7:30 PM for an ARES Training and Information net on the NI4CE Repeater System.

Please Join the Florida Phone Traffic Net which starts at 6:55 am, the ARRL Information Net at 7:30 am or immediately following the Florida Phone Traffic Net which ever occurs first, The South Florida ARES Net All on 3940 KHz, and this net at 8:30 AM on 3.911 KHz and the North Florida Emergency Communications Net at 9:00 AM on 3950 KHz

I would like to thank everyone for participating in this net, Please join us here again next week.

This is _____closing this session of the WCF ARES and Section Information Net and returning this frequency to normal amateur use.
