

WEST CENTRAL FLORIDA ARES VHF NET PREAMBLE

(Non-Emergency Net Protocol)

Calling the West Central Florida ARES Net . Calling all members of the West Central Florida Section for the West Central ARES Net.

This is _____

My name is _____ and I am located in _____.

This is a directed net. Please direct all comments through net control.

All stations are asked to remain on frequency until released by net control.

This net is primarily for West Central Florida Emergency Coordinators and Official Emergency Stations, however, all interested amateurs are cordially invited to check in. This net meets each Monday Evening at 07:30 PM local time or when activated by the SEC or his designee.

The purpose of this net is for the WCF Emergency Coordinators and Official Emergency Stations and for Members of the WCF to exchange information regarding emergency communications, public service and information for All members of Section .

Calling now for any station with:

1. EMERGENCY or Priority Traffic. (Handle immediately) Used for ECOM Nets Only

2. Bulletins, Announcements.

(Hold until after checkins.)

3. Section Level Officials, Elected or Appointed.

The combined WCF ARES and Section HF net each week on Saturdays at

08:30 AM on 3.911 MHz (alt 7.281 MHz) and the WCF ARES Net also

meets 2 additional times each week on VHF. We meet on Mondays at

7:30 PM for an ARES Training and Information net and we hold a Digital

Training Net on Wednesdays at 7:30 PM both on 145.430 and linked repeaters.

I would like to thank everyone for participating in the net, Please join us

here again next week.

This is _____closing this session of the WCF ARES Net and returning this frequency to normal amateur use.
